

## DIGITAL EARTH RESISTANCE TESTER

### Features

- To do the Earth Resistance of Appliance, Accessories etc..
- Specification: IS: 302, 1293 etc..
- Operating voltage 230V AC  $\pm 10\%$ , 50 Hz
- AC Current Source: 0.0 to 30.0AAC.(Low Voltage High Current Source)
- Digital True RMS Ammeter. Range: 50.0AAC; LC:0.1A,Accuracy: 1.0%.
- Digital True RMS Voltmeter ,Range: 19.99VAC, LC:0.01V,Accuracy: 0.5%+2Digits.
- 2Pole Toggle Switch for Mains ON/OFF.
- 1Pole Toggle Switch for Test ON.
- Catridge Fuse Holder with Glass Fuse.
- Main ON & Test ON Indicators.
- Variac (Dimmer)provided to Vary the Current Source.
- **Option: Manufacturing upto 2000AAC asper Customers specification. Motorised Version is also available. Custom built item asper Customers Specification.**
- **Asper our Continous R&D the specification may change.**
